Hearing of Charges Against Brubaker.

Says Powers' Pocket Book Was Not Given Him—Police Court.

John Brubaker of Springfield township, who has pleaded not guilty on a charge of embezzlement, was given a preliminary hearing by Mayor Young Friday morning.

John O. Powers alleged that Brubaker has \$205 in money and \$700 in checks and notes, which he gave to him in a pocketbook on Thursday, Sept. 21, to keep for him. Brubaker claims the pocketbook was not given to him. Mayor Young has the case under consideration and will decide it Monday.

Chas. Bias of Cleveland, alias "Race Horse Charley," the famous sprinter and champion cake-walker, was fined \$10 and costs for disorderly conduct in Jos. Whitelaw's saloon last Saturday. Hugh Rogers, colored, was discharged.

Harry K. Wood pleaded guilty to carrying a loaded revolver and received a fine of \$5 and costs.

Chas. Fink and John Woodward both pleaded not guilty to charges of disorderly conduct. The cases will be tried Saturday.

Robert Levy pleaded guilty to a charge of disorderly conduct. Sentence reserved.

Sarah Cahow has been arrested on complaint made by Susan Lavery, charging her with assault and battery.

DELEGATES

Elected at the A. M. E. Conference -- Bishop Petty Arrives.

Enthusiastic applause by all present followed the reading of a telegram at the A. M. E. Zion conference this afternoon stating that Bishop C. C. Petty was at Ravenna and would be at the conference before the close of the session. A committee was appointed to meet him.

The sermon preached Thursday evening by Rev. P. J. McIntosh, of Pittsburg, was listened to by a large audience. It was a very able discourse.

Friday morning's session was principally devoted to routine business. The following lay delegates were elected to attend the general conference to be held at Washington, D.C., next May: Dr. W. D. Clinton, Pittsburg; J. P. Young, Bedford; Mrs. Dora Hill, New Castle; B. F. Grasse, Allegheny; Alternates—Mrs. Catherine Matthews, Sewickly; A. C. Taylor, Lisbon; Mrs. Fannie Black, Uniontown; Mrs. L. J. Taylor, Pittsburg.

Rev. J. H. McMillen, of Harrisburg, delivered the annual fraternal address this afternoon.

This evening's session will be in charge of Mrs. N. J. Watson of New Castle, president of the A. M. E. Zion church mission society, who will deliver the annual report.

JOINT COUNTY DITCH—The County Commissioners of Summit met with the Portage County Board Thursday for the purpose of discussing a joint county ditch.

WEIGHING MAIL—Beginning Oct. 3, and continuing for 35 consecutive days, all mail matter leaving the nearly 80,000 postoffices in the country must be weighed. At the end of that time each office will forward to Washington its complete report, from which a mass of information will be compiled. There has not been a general weighing of the mails for 20 years, and it is believed by officials that an accounting will reveal opportunities for economy and improvement in the service.

HOLMES HAS TRIPLETS, TOO—The Akron Democrat of last week contained a picture of triplets (all girls), daughters of Mr. and Mrs. Herman Sigworth of Barberton. They are a nice trio and won the prize at the baby show of the Akron street fair, but of course they do not begin to compare with Holmes county's handsome triplets, whose proud parents are Mr. and Mrs. Fred Myers living a short distance east of Millersburg. This set is composed of two boys and a girl, who have now attained about five years of age and are healthy and robust.—Holmes County Farmer.

PLANS

For Remodeling of the City Building.

New Patrol Station Will be Erected—

Needed Changes Ordered.

Changes will be made in the first floor of the city building and a new patrol station will be built to connect with the city prison and Chief of Police Harrison's office.

The Sanitary Policeman's office will be moved to the Chief of Police office. The health office will remain as it is. The sanitary policeman's office will be enlarged to a room 16 by 30 feet for the police and a private office for Chief Harrison 10 by 16 will be arranged, thus the court lobby will be made smaller. The Mayor's, Police Prosecutor's and Mayor's Clerk offices will not be changed.

The new patrol station which will be 16 by 17 1/2 will be built of brick on the north side of the building. It will connect with the chief's office and the city prison. In this way policemen will always be on hand in the city building for emergency cases. This is a valuable addition to the police department.

Plans for the change were drawn Thursday afternoon and adopted by the City Commissioners this morning. Work will commence next week.
